Week of _____

Exploring Music: STEAM & Music (Primary) -- Wednesday

Music has a deep connection to science and engineering through disciplines like acoustics, physics, psychology, computer science and sound engineering. Using fun (and of course, safe!) demonstrations and experiments, we will study waves and vibrations, how sounds can affect moods, how sound reacts in different materials, and even some ear anatomy. STEAM and Music is an immersive and interactive way to get students to observe the world around them, and to give them the tools to study those observations. This class will be taught by Ms Enid. **This class meets once a week from August 13th, 2018 to December 17th, 2018.**
