

TUITION, FEES, AND ADDITIONAL SERVICES

2022-2023 SCHOOL YEAR TUITION RATES

- **INFANTS/TODDLERS** —————→ **\$2,040/MONTH**
- **PREPRIMARY/PRIMARY** —————→ **\$1,920/MONTH**

TUITION

We operate solely on tuition. In addition to our full time Montessori program, our tuition includes many unique programs and services including: meals, dual-language instruction or Spanish enrichment for all classrooms, a child developmental specialist, as well as an on-site nurse. In addition each campus has full time staff to teach music and movement– all included in the tuition.

SECURITY DEPOSIT

A security deposit of \$1,500 is paid to secure a space when enrolling a child at the school. This is refunded after an enrolled student graduates and the 60-day withdrawal notice requirement is satisfied. This balance will be applied against any amounts still owed. The security deposit is non-refundable to those who secure a position and then rescind without having started at the offered time.

SIBLING DISCOUNT

A sibling discount of 10% is offered to families who have one or more children enrolled in the school simultaneously. This discount is applied to the oldest child's tuition amount after the younger child is physically in attendance.

LATE PICK-UP FEES

It is important that parents pick up their children by the published time of closing each day as well as when called to pick up a child (e.g. contagious illness). There are late pick up fees which increase based on the frequency of non-compliance with this policy.

SCHOOL CALENDAR

We are open from 7:45 AM to 5:30 PM, Monday through Friday, with a 12 month program. Given the rigor of our academic program and to ensure retention of our highly trained faculty, we schedule more closures than many area daycares.

REGISTRATION FEES

A registration fee of \$200 is due upon enrollment, and then annually to secure placement for the upcoming summer and school year sessions.

OPTIONAL EXTRACURRICULAR ACTIVITIES

We offer incredible options for extracurricular activities—all in house! Options include an eclectic array of Exploring Music courses, explorations of Spanish or Mandarin, Yoga, and a variety of movement/sports classes. Fees for these classes are announced by session.
